CNC Carving

Traditional masonry skills can now be enhanced by modern technology. Computer aided design and modern machinery produce precision relief carvings at affordable prices. We offer an extensive range of beautiful designs and can also reproduce bespoke works of art to create a memorial as unique as the person you're commemorating. The resulting 3D carvings can be left as natural stone or painted by our team of highly skilled artists.

CNC Lettering

The same modern technology can accurately reproduce 'V-cut' lettering, a deep profile inscription which has significantly more impact than traditional sand-blasted letters.
